

pico

Precision Grinding at Home.

A home espresso grinder built on 90+ years of espresso tradition. The Pico blends simplicity, reliability, and exceptional shot-quality with every grind. Designed with impeccable attention detail, the Pico comes equipped with a noise-reducing brushless induction motor, precise dose selection, programmability, and unique features like the adjustable magnetic portafilter fork and auto-close hopper. Compact and user-friendly, the Pico seamlessly integrates into any morning routine—the perfect companion for the home barista.

Specifications
